

**AFRICA  
FERTILIZER &  
SOIL HEALTH  
SUMMIT 24**

NAIROBI, KENYA

## Side Event Program

DAY 1   TUESDAY 7 MAY 2024		
SIDE EVENT SESSIONS		
Event No.		<b>VENUE   AMPHITHEATRE HALL (2ND FLOOR)</b>
01	14:00 – 15:30	<b>Soil Health Revolution for Food System Transformation/Regenerative Agricultural Inputs for Sustainable Production.</b>  Organizer: The Rockefeller Foundation
02	15:30 – 17:00	<b>Launching of the New Africa Union Great Green Wall Initiative Strategy and Ten Years Implementation Framework</b>  Organizer: African Union Commission
03	17:00 – 18:30	<b>Dakar 2 High-Level Event on the State of Africa Fertilizer and Soil Health: Policy, Governance, and Institutional Framework to Accelerate Country Food and Agriculture Delivery Compacts</b>  Organizer: Leadership for Agriculture (L4Ag) African Development Bank
		<b>VENUE   LENANA HALL, LOWER GROUND FLOOR</b>
04	14:00 – 15:30	<b>Reflections on Donors and Development Partner Coordination Mechanism for SIA and AFSH-Action Plan</b>  Organizer: FARA
05	15:30 – 17:00	<b>Advancing the Soil Initiative for Africa through the Vision for Adapted Crops and Soils</b> Organizer: US -State Department
06	17:00 – 18:30	TBC
		<b>VENUE   ABERDARE HALL, LOWER GROUND FLOOR</b>
07	14:00 – 15:30	<b>What Business and Industry can do to help Implement the 10-Year Action Plan?</b> Organizer: AFAP
08	15:30 – 17:00	<b>Upscaling the Promises of sustainable agricultural transformation to Deliver Sustained Soil Health in Africa in a climate resilience context</b>  Organizer: CCARDESA
09	17:00 – 18:30	<b>Propelling Data-Driven Decisions in Fertilizer and Soil Health</b> <b>Lessons learned from the Abuja Declaration building fertilizer data sets and developing a pathway for measuring changes in soil health.</b>  Organizer: IFDC
		<b>VENUE   LAWNSTENT 1</b>
10	14:00 – 15:30	TBC
11	15:30 – 17:00	<b>Soil Health Agenda- Integrating Organic Fertilizers with Mineral Fertilizers Policy Brief Launch (Towards Integrated Soil Fertility Management) Launch (Towards Integrated Soil Fertility Management)</b>  Organizer: Kenya Fertilizer Manufacturer Association

Event No.		VENUE   LAWNSTENT 1 (Continued)
12	17:00 – 18:30	<b>Managing degraded soils for reclaiming livelihoods in Africa: An Actionable Framework for Guiding Fertilizer and Soil Health Investments at Scale</b> Organizer: AGRA
		VENUE   LAWNSTENT 2
13	14:00 – 15:30	<b>Partnering For A Pan-African Soil Information System</b> Organizer: YARA
14	15:30 – 17:00	<b>Sustainable Agricultural Transformation In Africa Through Improved Nutrient Stewardship</b> Organizer: APNI
15	17:00 – 18:30	<b>Leveraging Policy, Practice and Research for Monitoring Soil Health</b> Organizer: AUDA-NEPAD
		VENUE   LAWNSTENT 3
16	14:00 – 15:30	<b>Integrated soil health management for productive, inclusive, sustainable farming and food systems in Africa: Exploring the role of agroecology and regenerative agriculture</b> Organizer: DeSIRA-Lift
17	15:30 – 17:00	TBC
18	17:00 – 18:30	<b>The Organic Business Case: Enabling an environment for private sector development in East and West Africa for organic fertilizer production.</b> Organizer: OFIMAK

Event No.		VENUE   LAWNSTENT 4
19	14:00 – 15:30	<b>Revitalizing Africa’s Agriculture - Repurposing Fertilizer Subsidies for Healthier Soils</b> Organizer: ClimeEat
20	15:30 – 17:00	<b>Strengthening National Soil Information Systems - A Framework for Sustainable SIS Intervention Design</b> Organizer: CABI
21	17:00 – 18:30	<b>Healthy Soils for Food System Transformation – Innovative Agronomic Solutions for Africa</b> Organizer: TAAT Excellence in Agronomy
		VENUE   LAWNSTENT 5
22	14:00 – 15:30	<b>Facilitating Cross country Learning for Implementing Post-Summit Actions on Fertilizer and Soil Health in Africa</b> Organizer: AGRA
23	15:30 – 17:00	<b>Strengthened partnerships for food security and agricultural development: Leveraging fertilizer and soil health initiatives for food security and poverty Alleviation within the caadp framework and post malabo agenda</b> Organizer: NORWEGIAN
24	17:00 – 18:30	<b>Importance and benefits of integrated landscape soil and water management to optimize fertilizer use and soil health across agricultural land uses.</b> Organizer: IWMI (Cocktail Function)
		VENUE   LAWNSTENT 6
25	14:00 – 15:30	<b>The Role of Soil Health in Multifunctional Landscapes and Climate Change</b> Organize: International Crops Research Institute for the Semi-Arid Tropics (ICRISAT)
26	15:30 – 17:00	<b>Mapping Organic Feedstock Sources in Africa: A Step Towards Nature Positive Fertilizer Production</b> Organize: IFDC
27	17:00 – 18:30	TBC
		VENUE   LAWNSTENT 7
28	14:00 – 15:30	<b>How the debt crisis affects food and farm inputs markets in Africa.</b> Organize: AfDB
29	15:30 – 17:00	<b>Pathways to resilient fertilizer markets Using evidence-based learning to drive policy measures and government strategies for building resilient fertilizer markets for food security</b> Organize: AFAP
30	17:00 – 18:30	<b>Completing the Integrated Soil Fertility Management Principles: Organic and Auxiliary Inputs</b> Organize: IITA

<b>Event No.</b>		<b>VENUE   LAWNSTENT 8</b>
<b>31</b>	<b>14:00 – 15:30</b>	<b>Importance and benefits of integrated landscape soil and water management to optimize fertilizer use and soil health across agricultural land uses.</b> Organize: AFSA
<b>32</b>	<b>15:30 – 17:00</b>	<b>Increasing soil health and agronomic performance through private and public investments</b> Organize: Wealthungerlife
<b>33</b>	<b>17:00 – 18:30</b>	<b>Digging Deeper: Advancements in Soil Health Monitoring for Sustainable Food Systems and Climate Resilience</b> Organize: CA4SH
		<b>VENUE   LAWNSTENT 9</b>
<b>34</b>	<b>14:00 – 15:30</b>	<b>Achieving Resilient Agri-Food Systems through Regenerative Agriculture in the Wake of Global Fertilizer Crises and Climate Change: Innovations and approaches for Improving Soil Health and Sustainable Intensification</b> Organize: Sasakawa Africa Association
<b>35</b>	<b>15:30 – 17:00</b>	<b>Country plans for integrating the Africa Fertilizer and Soil Health (AFSH) action plan into national climate and food security policy framework</b> Organize: AfCAP
<b>36</b>	<b>17:00 – 18:30</b>	<b>Awareness of emerging and disruptive technologies and innovations that have the potential to enhance regional fertilizer supply, application and use efficiency, and help stakeholders to seize these opportunities</b> Organize: IFA
		<b>END OF DAY</b>

#AFSH24

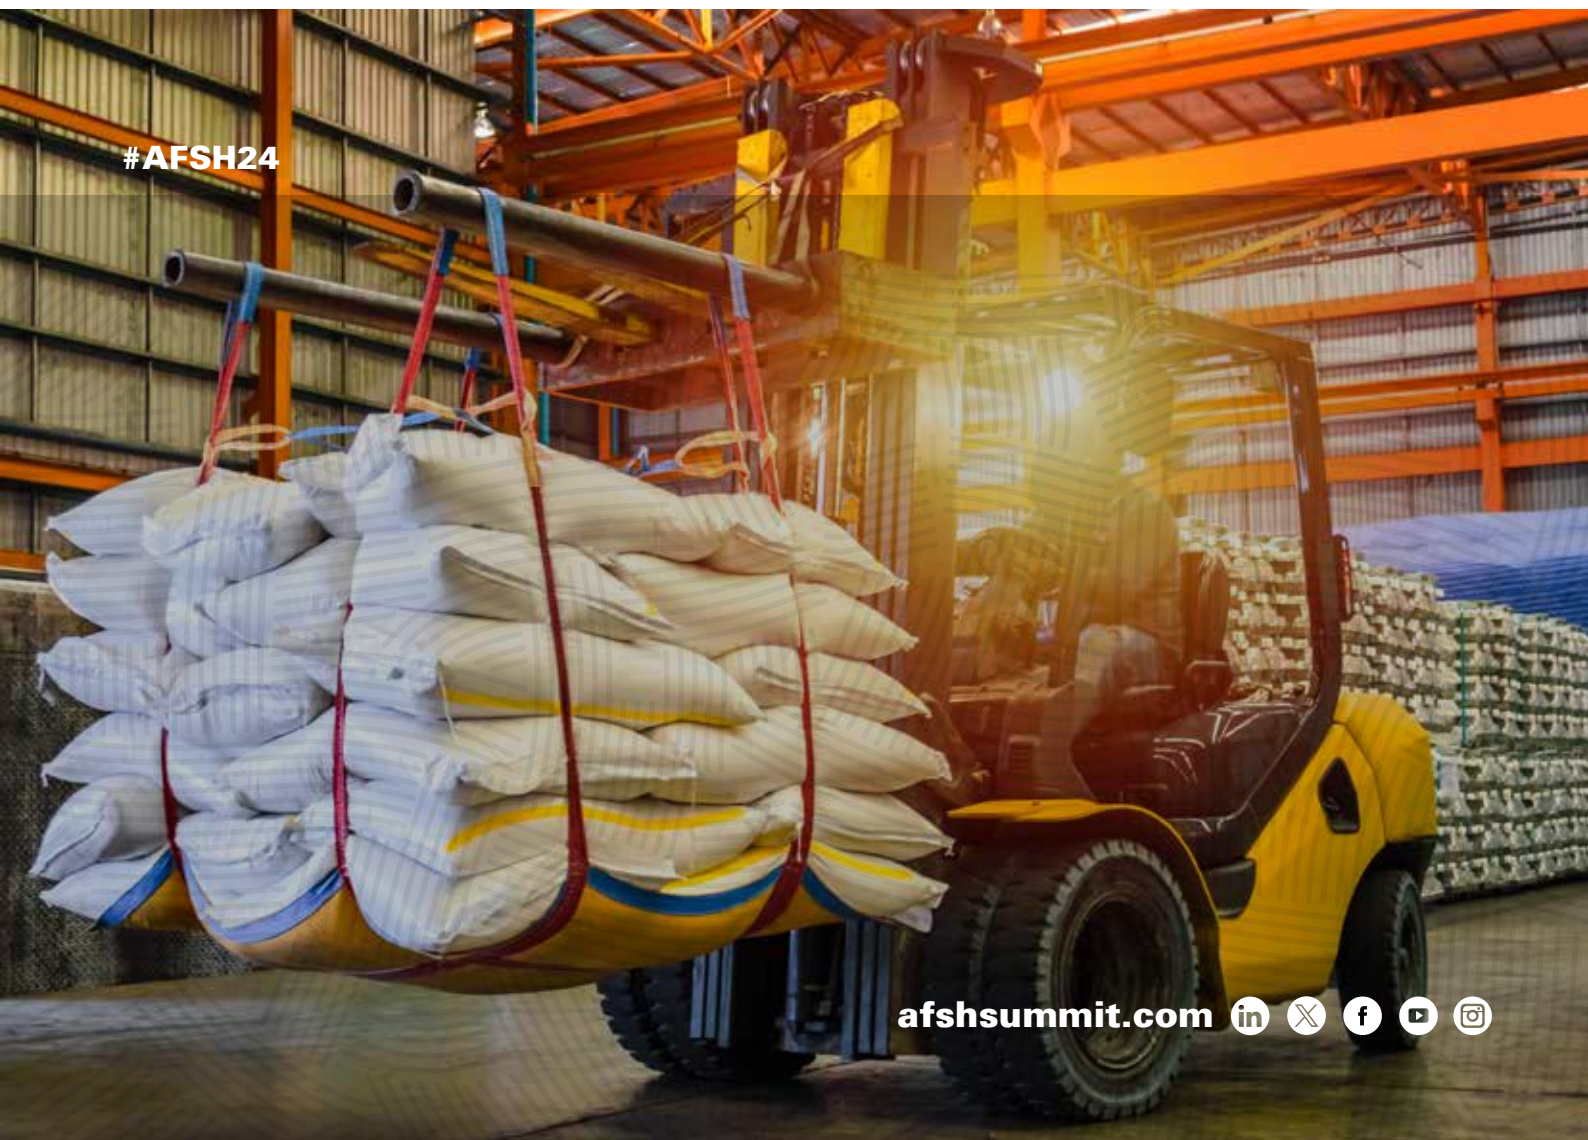

## PROGRAMME

DAY 2   WEDNESDAY 8 MAY 2024		
SIDE EVENT SESSIONS		
Event No.		VENUE   AMPHITHEATRE HALL (2ND FLOOR)
37	14:00 – 15:30	<b>Monitoring soil health and soil health investments at different scales</b> Organization: EC ( DG_INTPA)
38	15:30 – 17:00	<b>Sustainable Soil Fertility Management: A Paradigm Shift via a Diverse Solutions Portfolio</b> Organization: FAO
VENUE   LENANA HALL LOWER GROUND FLOOR		
39	14:00 – 15:30	<b>Using mineral fertilizers in agroecological approaches in Africa</b> Organization: CIRAD
40	15:30 – 17:00	<b>Soil Information Systems in Africa &amp; Digital Content and Platforms for Smallholder Framers</b> Organization: The African Centre for Women, Information and Communications Technology (ACWICT)
VENUE   ABERDARE HALL, LOWER GROUND FLOOR		
41	14:00 – 15:30	<b>Complementary restorative approaches to improve soil health and fertilizer use.</b> Organization: Alliance of Bioversity-CIAT
42	15:30 – 17:00	<b>Soil Matters: Cultivating Change for Africa’s Food Systems Transformation through Evidence-based Policy and Practice</b> Organization: CA4SH
VENUE   LAWNS TENT 1		
43	14:00 – 15:30	<b>Improving Soil Health through Empowering Women Farmers</b> Organization: IFPRI
44	15:30 – 17:00	<b>Harnessing Digital Agricultural Services for Enhanced Soil Health and Water Management</b> Organization: ICIPE
VENUE   LAWNS TENT 2		
45	14:00 – 15:30	<b>Organics is How: Building a business case of scientific and investment rationale for the combined utilization of inorganic fertilizers and organic resources. Building on experiences from Ghana, Burkina Faso, Kenya and Ethiopia</b> Organization: AGRA
46	15:30 – 17:00	<b>Leveraging High-Performance Organic Bio-stimulants for Agricultural Transformation in Africa</b> Organization: HJA Africa

Event no.		VENUE   LAWNSTENT 3
47	14:00 – 15:30	<b>Multi-stakeholder action for reliable agro-bioclimatic solutions to ensure sustainable soil management</b> Organization: IITA
48	15:30 – 17:00	<b>Ethiopia’s Path to Sustainable Soil Management Through Collaborative Partnerships</b> Organization: Ministry of Agriculture of Ethiopia, Natural Resources Management Sector
		VENUE   LAWNSTENT 4
49	14:00 – 15:30	<b>Agroecological and organic farming systems in Africa – transformation towards system resilience and sustainable production and consumption</b> Organization: KHEA
50	15:30 – 17:00	Vision to Reality: West Africa & Sahel’s Fertilizer and Soil Health Declaration and Roadmap Organization: WAFA
		VENUE   LAWNSTENT 5
51	14:00 – 15:30	<b>Coalition of Implementers for Fertilizer and Soil Health</b> Organization: APNI
52	15:30 – 17:00	<b>Integrating the Gender Perspective into the post-Africa Fertilizer and Soil Health Summit Framework</b> Organizer: AFAP South Africa
		VENUE   LAWNSTENT 6
53	14:00 – 15:30	<b>World Bank’s Support For Fertilizer And Soil Health Development In Africa</b> Organizer: WorldBank
54	15:30 – 17:00	<b>Development of an Evolving Pan-African Decision Support Tool and Rock Phosphate Activation Project for Enhanced Crop Production</b> Organizer: OCP
		VENUE   LAWNSTENT 7
55	14:00 – 15:30	<b>Leveraging the African Union Climate Change and Resilient Development Strategy and Action Plan (2022-2032) to achieve a triple-win for healthy soils, climate resilience and food security.</b> Organizer: Sustainable Environment and Blue Economy (SEBE) Directorate of the African Union Commission (AUC)
56	15:30 – 17:00	<b>Revisiting the 2006 Abuja Fertilizer Declaration with Nitrogen use efficiency and yield-gap lenses.</b> Organizer: Kenyatta University

Event no.		VENUE   LAWNSTENT 8
57	14:00 – 15:30	TBC
58	15:30 – 17:00	<p><b>Operationalizing the Fertilizer and Soil Health Framework at National Level: Multistakeholder Collaboration for Results at Scale</b></p> <p>Organizer: CRS</p>
VENUE   LAWNSTENT 9		
59	14:00 – 15:30	<p><b>Envisioning the Role of African Research and Training Institutions in Shaping Policy Reforms for Fertilizer and Soil Health Programmes Across Africa</b></p> <p>Organizer: RENAPRI</p>
60	15:30 – 17:00	<p><b>A sustainable food secure future for West Africa and the Sahel: Launching a new regional hub for strengthening the fertilizer sector and improving soil health.</b></p> <p>Organizer: IITA</p>
END OF DAY
